

Organizing Tissue Homeostasis and Immunity

NK Cell & ILC Meeting

June 20-23, 2023 - Juliusspital Winery, Würzburg

Organizing Committee

Georg Gasteiger
Adelheid Cerwenka
Andreas Diefenbach
Chiara Romagnani

Innate Lymphoid Cells
DFG Priority Program - SPP 1937

Research Focus Group
NATURAL
KILLER CELLS

Niklas Björkström, Stockholm
Jan Böttcher, Munich
Tim Halim, Cambridge
Matt Hepworth, Manchester
Christoph Klose, Berlin
Bart Lambrecht, Ghent
Laura MacKay, Melbourne
Mala Maini, London
Andrew McKenzie, Cambridge

Ari Molofsky, San Francisco
Serge van de Pavert, Marseille
Joseph Sun, New York
Sonia Tugues, Zürich
Eric Vivier, Marseille
Christoph Wilhelm, Bonn
Carsten Watzl, Dortmund
Gaby Wiedemann, Munich

Keynote: Richard Locksley, San Francisco
Ruslan Medzhitov, Yale

Overview of the SCIENTIFIC PROGRAM

(Draft, subject to changes)

For more info please visit: <https://nk-symposium.org>

Tuesday, June 20th, 2023

09:30 Registration and Coffee
11:00 Start of the meeting / Welcome note

SESSIONS

NK cell killing and immunotherapy NK cells in tumors NK cells and ILC1 in tissues (I)

Speakers:

Eric Vivier, Marseille
Carsten Watzl, Dortmund
Gabriela Wiedemann, Munich
Jan Böttcher, Munich
Niklas Björkström, Stockholm
Mala Maini, London

+ selected talks from abstracts

+ Poster Flash Talks I

17:00

Poster session I: Human NK cells, Immunotherapy

17:00 – 17:30

General Assembly AK NK (Members)

19:00 – 20:00

Visit of the wine cellars (reception with Secco and light snacks)

Wednesday, June 21st, 2023

09:00

Start of the sessions

SESSIONS

**Adaptive differentiation of NK cells
Tissue-resident innate and adaptive memory
NK cells and ILC1 in tissues (II)**

Speakers:

Joseph Sun, New York

Chiara Romagnani, Berlin

Laura MacKay, Melbourne

Heidi Cerwenka, Mannheim

Sonja Tugues, Zürich

Georg Gasteiger, Würzburg

+ selected talks from abstracts

+ Poster Flash Talks II

JOINT AFTERNOON: NK and ILC MEETING

16:00

Poster session II: NK cells and ILC1

18:00

Keynote lecture

Richard Locksley, San Francisco

19:00

Conference Dinner & Party (Garden & Pavillion)

Thursday, June 22nd, 2023

09:00

Start of the sessions

SESSIONS

Tissue niches of resident lymphocytes
ILC crosstalk with other immune cells
ILC fibroblast interactions

Speakers:

Andrew McKenzie

Bart Lambrecht, Ghent

Christoph Klose, Berlin

Tim Halim, Cambridge

Ari Molofsky, San Francisco

Andreas Ramming, Erlangen

+ selected talks from abstracts

15:30

Poster session: ILC2 and ILC3

17:00

Keynote lecture

Ruslan Medzhitov, Yale

18:00 – 20:00

Poster session of the DFG ILC Priority Programm
& Reception with drinks and snacks

Friday, June 23rd, 2023

09:00

Start of the sessions

SESSIONS

ILC3s

Lymphoid tissue inducer cells Microbiome and Metabolism

Speakers:

Andreas Diefenbach, Berlin

Mercedes Gomez de Agüero, Würzburg

Serge van de Pavert, Marseille

Matt Hepworth, Manchester

Christoph Wilhelm, Bonn

+ selected talks from abstracts

15:00

Fare well & coffee
